Sunray Energy, Inc. ("Sunray") is the owner/operator of the solar electric generating systems ("SEGS") I and II facilities in Daggett, CA. These SEGS comprise 44 of the 354 megawatts of installed parabolic trough solar thermal electric generating capacity located in California.

Sunray has read and is in agreement with Kramer Junction Company's filing dated November 3, 2000.

Respectfully submitted,

A handwritten signature in cursive script that reads "Eric Wills". The signature is written in dark ink and is positioned above a horizontal line.

Eric Wills

President, Sunray Energy, Inc.
